Investment Strategy from investment's prospectus

The investment seeks high total return through growth of capital and current income.

The fund normally invests at least 80% of assets in securities of real estate and real estate-related companies, including real estate investment trusts (REITs). It primarily invests in equity securities. The fund may invest in equity and debt securities of issuers unrelated to the real estate industry that the portfolio managers believe are undervalued and have potential for growth of capital. It may invest in non-investment grade debt securities of real estate and real estate-related issuers.

Past name(s): AIM Real Estate A.

Category Description: Real Estate

Real estate funds invest primarily in real estate investment trusts (REITs) of various types. REITs are companies that develop and manage real-estate properties. There are several different types of REITs, including apartment, factory-outlet, health-care, hotel, industrial, mortgage, office, and shopping center REITs. Some funds in this category also invest in real-estate operating companies.

Broad Asset Class: Real Estate

Shares of ownership in corporations that invest only in real estate.

Notes

This material is authorized for client use only when preceded or accompanied by a Disclosure Statement and a fund prospectus and/or informational brochure containing more complete information. These can be obtained from your investment professional or your plan's website and should be read carefully before investing or sending money.

Morningstar ratings reflect the reduction of the fund's expense ratio. However, your plan may charge an administrative fee and/or plan-level fee, which is not reflected in this rating.

To determine a fund's star rating for a given period, the fund's Morningstar risk score is subtracted from its Morningstar return score. If the fund scores in the top 10% of its respective Morningstar category, it receives five stars; if it falls in the next 22.5%, it receives four stars; a place in the middle 35% earns it three stars; those in the next 22.5% receive two stars; and the bottom 10% get one star.
